REMARKS

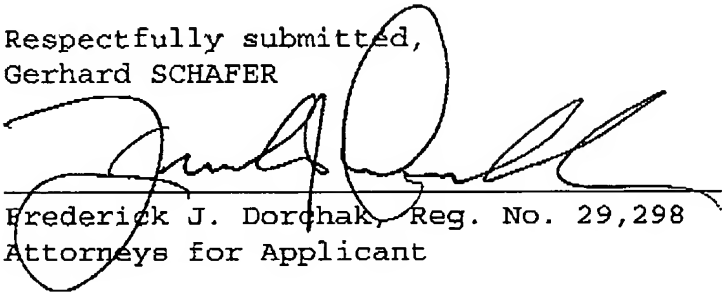

The claims are 1-7. Claim 1 has been amended to delete the "preferably" recitations. Claims 2 and 3 have been amended to affirmatively recite "a" container floor in claim 2, and "a" swiveling access and "an" upper edge in claim 3, and claim 4 has been amended to change "swivelable" flap to -- movable -- flap to conform with that recitation in claim 1 on which claim 4 depends. Claim 3 has also been amended to change "preferably" to -- comprising --.

As the Examiner has indicated that the application is in condition for allowance except for the objections to claims 2, 3 and 4 on the basis of certain informalities, which have been corrected herein, it is respectfully submitted that the application is now in condition for allowance.

A prompt notification of allowability is respectfully  
requested.

Respectfully submitted,  
Gerhard SCHAFER
